

Honeywell Instant Alert

Harrison is using the Honeywell Instant Alert system to notify parents of transportation related events or emergency closings. If you see the school phone number on your caller ID system, it is a good possibility that the system was attempting to phone you. If you have an answering machine, the system will leave a message. Soon, below are instructions as to how you can sign up to customize your alert messages. You may add cell phone numbers or e-mail addresses to personalize your contacts.
