To Harrison School Parent,

Beginning this School Year Lakeside Transportation will be providing the bus service for Wonder Lake School District. Lakeside Transportation is one of thirteen operating companies that are wholly owned subsidiaries of Cook-Illinois Corporation. Cook-Illinois is currently the largest family owned and operated school bus contractor in the country and operates over 1700 school buses in and around the Chicago-Land area. We are American owned, and we encourage our companies to re-invest in the communities we serve. Cook Illinois Corporation has a history of over 40 years of providing quality customer service to our school districts.

Lakeside Transportation takes pride in the transportation services we provide. We have an extensive driver training program and safety program. All of our drivers have met all state and federal requirements including background checks. **We are pleased that some of the drivers that have been providing transportation services for your students will be returning this fall as Lakeside employees.**

To help your student have a safe and positive experience on the bus we ask that you review the bus rules with your child. We ask that all students be at their bus stops on time. While on the bus all students must remain in their seats and there is no eating or drinking on the school bus.

The staff at Lakeside is looking forward to bussing your students. Our staff has many years of bussing experience and is well equipped to work with Harrison School District and make this a smooth transition and a positive experience for your child.

If you have any questions or concerns please feel free to contact us at Lakeside.

The Lakeside Transportation Team:

Sharon Pierluissi – Regional Manager

Peggy Passe – Operations Manager

Denise Quezada – Operations Manager

Jeff Green – Safety Director

Abbey Gaspar - Dispatcher
