January 4, 2012

Dear Parents/Guardians:

Your son or daughter will be a part of the Class of 2016 that will be entering West Campus in August 2012. The faculty, staff and administration at West Campus want you to know that we are looking forward to welcoming our new ninth graders!!

On Tuesday, Wednesday and Thursday, January 10, 11, & 12, all 8<sup>th</sup> graders who will be attending West Campus next year will be coming to our school for an orientation session during the school day. The primary purpose of this special event is to introduce our new freshman class to our school and our staff. The West Campus counseling team will be presenting information regarding the registration process, and, in addition, members of our Student Leadership Team will be taking students on a tour of the school building, and presenting information regarding the outstanding co-curricular opportunities we have at West Campus. Eighth graders will eat lunch at West Campus before returning to their home school. Students should bring approximately \$5.00 with them to cover the cost of lunch. Food items available for their selection will be the same as those offered to high school students.

We know that parents also need information regarding the transition to high school for their child. With this in mind, parents and students are invited to an evening orientation session on **Thursday, January 12**. Orientation sessions are planned at 6:30 and 7:30 p.m. to allow parents to find a time that best fits their schedule. During the evening orientation event, counselors will present information regarding registration, building tours will be available and selected teachers will be present to answer questions about the courses they teach. In addition, the Warrior Warehouse, our school store will be selling MCHS Warrior clothing items and other Warrior logo items.

Please mark your calendar on January 12 and plan to join us at either the 6:30 or 7:30 p.m. orientation session. We sincerely look forward to meeting our new freshmen and their parents!

## *Welcome to West!!*

Sincerely,

Michael L. Roberts, Ed.D.  
Principal

The Mission of District 156: We are committed to provide all students with the skills they need to be lifelong learners and productive citizens.
