

HARRISON P.T.O.

Did you know that you are part of the P.T.O. already?

You became the 'P' in Harrison P.T.O once your child enrolled.

Did you know you can be involved in your child's life at school by volunteering as little as 36 minutes this school year?

By being involved, you will get to know the teachers, staff and administration better and show your child it takes a team to make Harrison a better place for all students.

There is over 30 years of research showing that when parents are involved in their child's education, positive things happen. Grades and test scores go up while discipline problems go down.

Children with involved parents are more likely to graduate and go on to higher education. Schools with broad parent involvement are more successful, and teachers perform better as a result.

What happens at P.T.O. meetings?

- * The Administration informs us of upcoming scheduled events during the school day.
- * Hear from chair people of various P.T.O. committees on upcoming events and fundraisers.
- * Help make decisions for the ongoing improvement of Harrison School and our children's environment.
- * Give input on how P.T.O. spends the money it has earned from sponsored events.

What will you get back?

- * Camaraderie with other parents while having fun volunteering at the different functions.
- * While volunteering, you will meet your child's friends and who they socialize with at school.
- * Smiles from your child when they see you being involved and taking pride in their school.

Join the Team. Share the Dream.

You choose the level of commitment that works for you and your schedule.

- * There are different roles within P.T.O. that will fit your level of involvement.

For example, you can participate in one of the many small groups, work with the community, or even one on one.

- * You can volunteer prior, during or after a P.T.O. function.

More Comfortable behind the scenes?

- * We are also in need of parents who would like to help, but can only help from home.

EXAMPLES: Cutting or separating items stuffing goodie bags, organizing crafts, calling/writing local merchants for donations and much more.

THANK YOU!

WE ARE LOOKING FORWARD TO BUILDING A LONG-LASTING RELATIONSHIP BETWEEN THE COMMUNITY AND OUR CHILDREN'S SCHOOL.

JUST LET US KNOW WHAT YOU PREFER!

2011-2012 SCHOOL YEAR

YES! I am willing to volunteer and help my child's school! I have interest in the following event(s):
