

Xtranormal

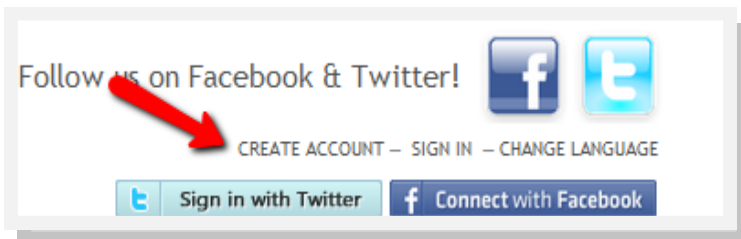

Step 1: Create Account

1. Find create account link (upper right)

Create username

Enter E-mail

Create Password

A screenshot of the Xtranormal account creation form. The title is "Don't have an account?". Below it, it says "Create a free xtranormal.com account". The form includes fields for "Username:" (filled with "nexiec"), "Email address:" (filled with "sonofnexiec@gmail.com"), "Password:" (filled with "*****"), and "Confirm password:" (filled with "*****"). There is a CAPTCHA section with the words "isalt" and "for" and a text input field labeled "Type the two words:". To the right of the CAPTCHA is a reCAPTCHA logo with the text "stop spam, read books.". A "SUBMIT" button is located at the bottom right of the form.

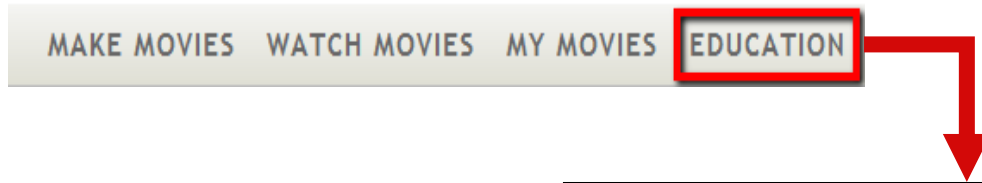

Step 2: Activate Account

1. Go to your e-mail account
2. Open Activation E-mail
3. Follow [activation link](#)

Step 1: Activate your account.

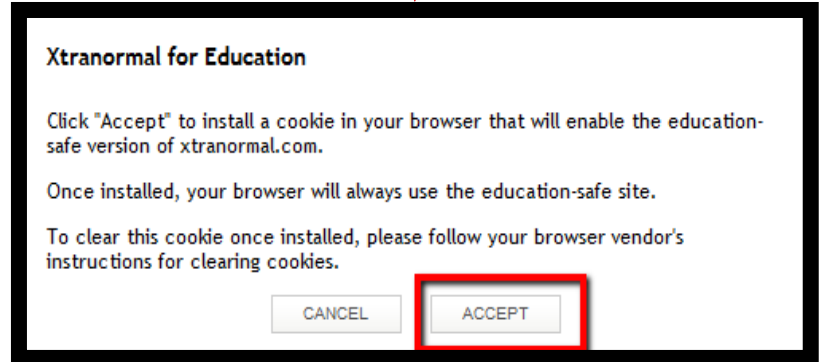

You won't be able to log in until you do, so it's kind of a big deal. Make sure you activate your account within 28 days using this link: <http://www.xtranormal.com/account/activate/ef4034f46114c71d995b9931d7f136e16a0ff395/?id=143ae735-6b97-4ef0-a9dd-49f9b5b6e1b0>

Step 3: Education Safe

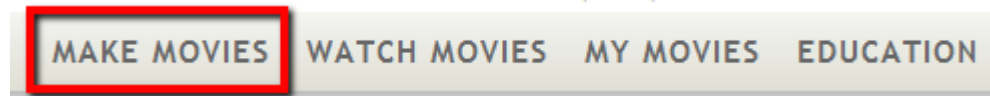

To enable a safe version of the website:

1. Select **Education**
2. **Accept**

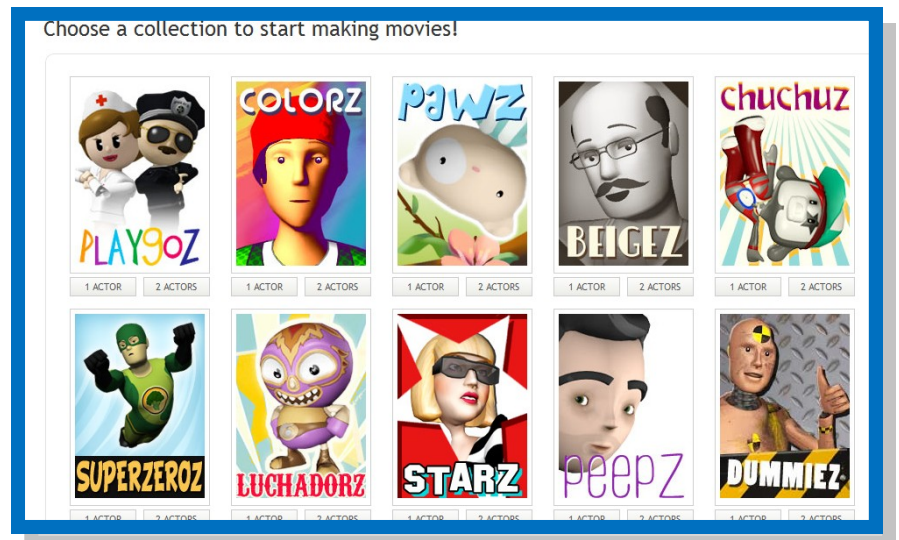

Step 4: Make a Movie

To create a movie:

1. Select **Make Movies** from the tab
2. Select a **Context**

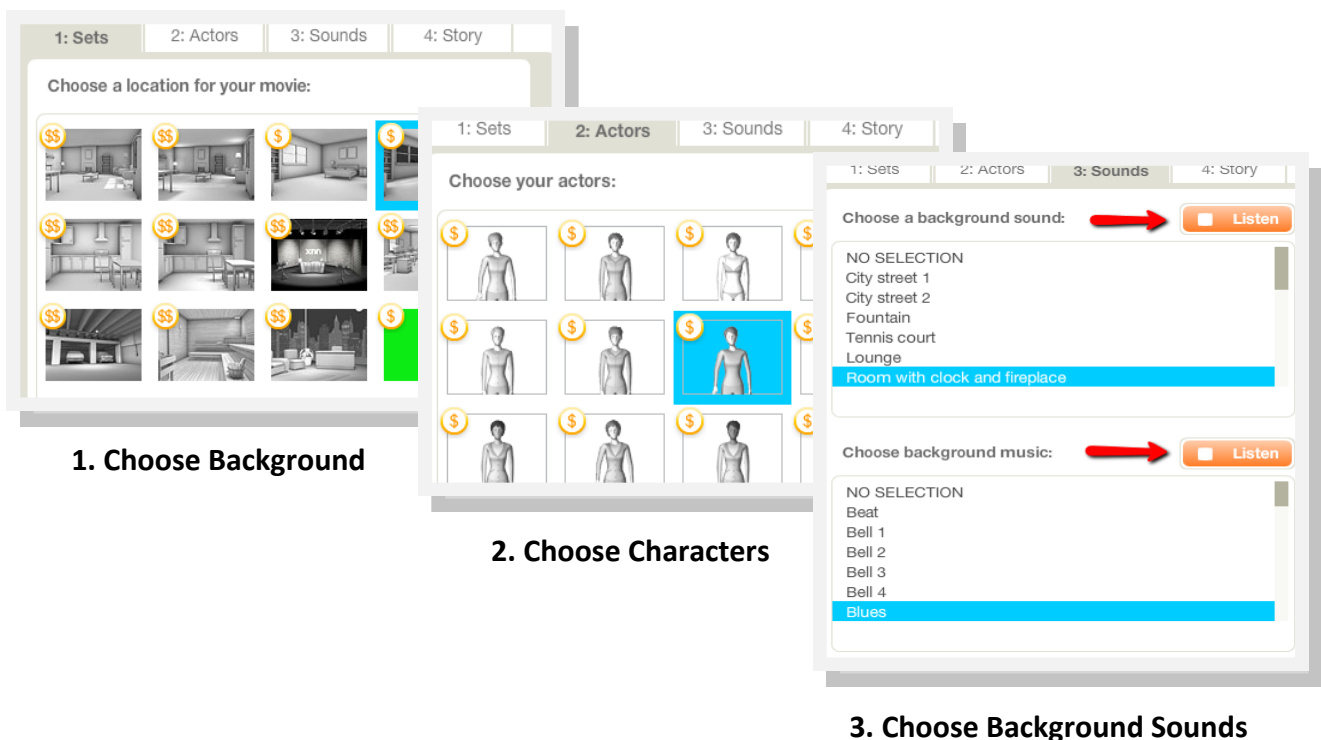

Step 4.1: XtraNormal Points (XP)

- Content in Xtranormal costs points.
- Some of these points can be bought and some can be earned.
- Each new account receives **300 free points**
- All purchased content *can be reused*

Point Value System

-  - 37 Xtranormal Points to purchase permanently
-  - 75 Xtranormal Points to purchase permanently
-  - 150 Xtranormal Points to purchase permanently
-  - An asset you have already purchased and can use without additional cost.

Step 4.2: Create Setting

1: Sets 2: Actors 3: Sounds 4: Story

Choose a location for your movie:

1: Sets 2: Actors 3: Sounds 4: Story

Choose your actors:

1: Sets 2: Actors 3: Sounds 4: Story

Choose a background sound: 

NO SELECTION
City street 1
City street 2
Fountain
Tennis court
Lounge
Room with clock and fireplace

Choose background music: 

NO SELECTION
Beat
Bell 1
Bell 2
Bell 3
Bell 4
Blues

1. Choose Background

2. Choose Characters

3. Choose Background Sounds

Step 4.1: Create Script

Select Character →

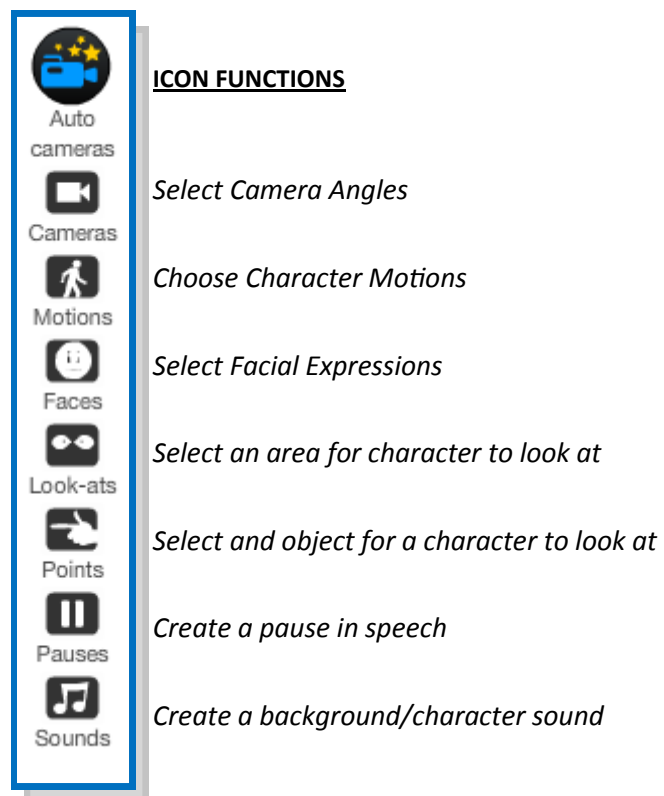

To edit script:

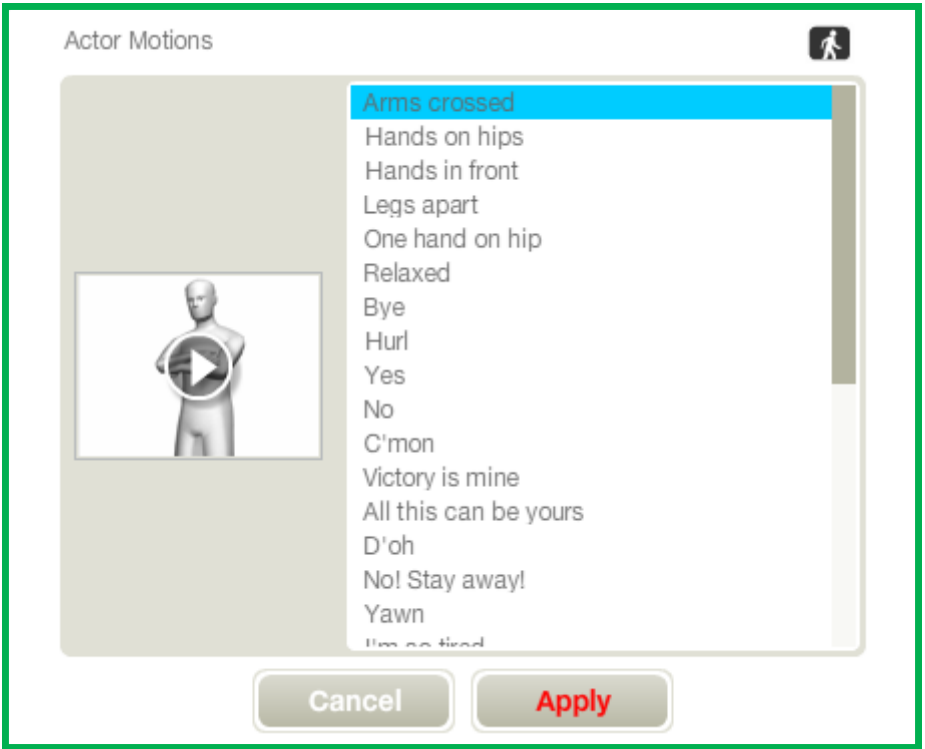

1. Choose **Character**
2. Enter Text
3. Click **Orange Audio Button** to preview
4. Click **+** to add new text box (automatically switches to other character)

Actions and Effects

To create and action or effect event:

1. Choose category from **panel**
2. Drag *icon* to dialog box
3. Choose **action** from the box

Step 4.2: Preview and Publish

You have the option to either *listen an audio preview* of your script or *preview the video in its entirety*.

Preview - Click 'Listen' to hear dialog (fast), and 'Preview' to view movie (slower). Listen Preview

Save - Click 'Save' to take a break and come back later. You can find your movie in My Movies under In Progress. Save

Publish - Click 'Publish' to create your final movie (don't worry, you can still keep it private if you prefer). Publish

How busy are our servers right now?

| QUIET | BUSY | TOO BUSY | AARRGHH! |
|--------------------|----------------------|-------------------|-------------------|
| Previews are quick | Previews take longer | Previews > 15mins | Previews disabled |

Use this to judge wait times for previews

Publish your movie

Generate a final-quality version of your movie to share with your friends. Note that you can keep it private in your My Movies page if you prefer.

Enter the title of your movie:

Enter a description for the movie:

Enter tags (keywords comma-separated) for your movie:

Add to Series:

or

Content Rating:

Tags are short descriptions that help people search for content

Create a category or series for your video to reside in

NOTE: All content purchases are finalized one movie is published.

Step 4.2: Retrieve

To edit or view your videos select **My Movies** from the task bar
